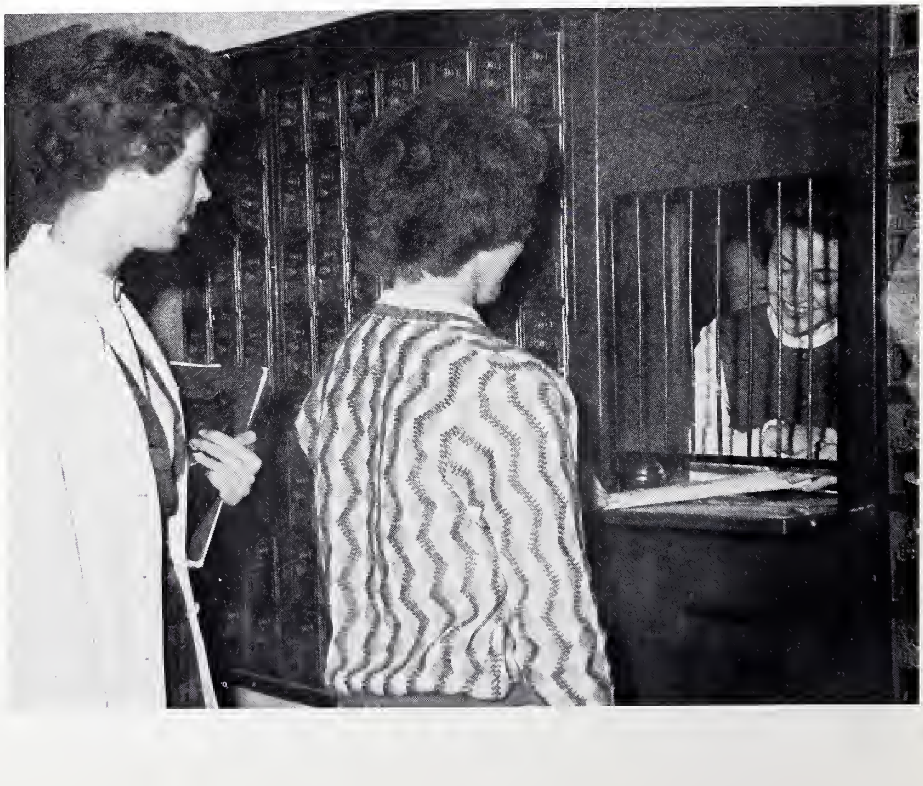
PROLOGUE

We came . . . September 17th . . . nervous and excited . . . meeting new friends . . . saying good-by to old ones . . . unpacked and played the "where are you from" and, "do you know so and so?" game . . . attended special assemblies, filled out necessary information, and followed important diagrams.

We learned to obey "quiet hour" rules . . . our lives became regulated by schedules . . . waking up for 8:00 classes and . . . being prompt for room check . . . we became collegiate and put away high school year books and trinkets.



We waited in line . . . registration . . . fees . . . meals and mail . . . afraid to stray too far on our own, we moved with the crowd . . . we selected required subjects . . . and scouted for books.

At first we were homesick, and wrote minute details home to friend and family, but then our first quarter became a time of "firsts" . . . our first encounter with tribe meetings . . . first college dance . . . first blind date and . . . our first event for "Rat Week."

Girls wearing long antebellum style dresses . . . boys dressed in confederate grey . . . there was field day . . . rat races . . . relays . . . and the race for Mr. and Mrs. Rat . . . Rat parade, all rats, accompanied by a broom marching up town to be auctioned off to faculty members and town merchants . . . work day . . . rats divided into work groups to clean the campus . . . then . . . the long awaited Rat Court.

General Sherman gave punishment to unreconstructed rats.

As things began to settle, and became routine, we learned to love West Georgia . . . we felt the need to conform . . . acquired short skirts . . . knee socks, and sports jackets for classes.

Home seemed a long way off . . . during the week . . . we studied long and hard . . . but we didn't neglect our coca-colas and bridge games . . . we joined the mass evacuation on Friday for the University of Georgia . . . Atlanta and other points of interest . . . hurrah for the five day week!

We entered in all phases of college life with a bang . . . decorated dorms for Homecoming . . . elected Homecoming Queen . . . and attended the big dance . . . pulled for friends in the Beauty Revue . . . entered into tribe competition . . . began studying for exams . . . and found ourselves welcome in Carrollton churches.

In January . . . our campus was transformed by a week of snow . . . we took extra class cuts . . . had snow ball battles . . . and met in mass confusion in the student lounge.

ADMINISTRATION BUILDING

MARTHA MONROE BUILDING

Spring came to West Georgia with the beginning of our third quarter . . . grass was green . . . the flowers bloomed . . . a mad rush for morning classes . . . girls began making regular visits to the roof of the M.M. Building . . . the baseball team practicing . . . we looked forward to the afternoons at Tanner's Beach and Lake Carroll . . . studying for exams was hard . . . we became sentimental as the seniors began saying "This is the last time we'll do this" . . . the Spring formal . . . the last formal many of them would attend at West Georgia.

As days grew short, old friends were kissed good-by as we reserved places in our hearts for the departing Seniors and the incoming Freshmen . . . the old made way for the new . . . the final step was graduation, the day of ending . . . and . . . the beginning.

Dr. Boyd looks at new men's dormitory to be erected in the near future.

BOYD, NEW PRESIDENT, EFFECTS CAMPUS IMPROVEMENTS

A new President leads the activities of West Georgia students and faculty seeking to improve the college.

Dr. James Emory Boyd assumed the presidency of West Georgia College last year after a distinguished career at the Georgia Institute of Technology which brought him national eminence in the field of science and research. Since 1957 he had been director of Georgia Tech's Engineering Experiment Station. While indelibly dedicated to the whole cause of education, Dr. Boyd is active in business, industrial, and other areas of endeavor. Mrs. Boyd is a native of Carrollton, the former Elizabeth Reynolds Cobb, and the two met and married here in 1934 while he was a member of the original faculty of West Georgia College.

Since coming to West Georgia College, Dr. Boyd has charted a challenging program of progress for the institution as it seeks to expand and improve its academic offerings and physical facilities.

The club presents one three-act play at the end of each quarter during the regular school year. Membership is open to any student interested in drama, who participates in a play production, either by acting or working on stage crews. The drama program of West Georgia College is designed so that audience, crews, and actors may be introduced to many styles of drama and production.

RAT WEEK

Rat Week is one of the highlights of a freshman's year. This year, the freshmen had an enjoyable week which included work day, parade downtown, field day, and the long awaited rat court.

All rats who failed to carry out orders during this week, were brought before court and tried by an upperclassmen jury. This week turned out to be lots of fun for all and a means for the freshmen to get acquainted with the upperclassmen.

There was a high percentage of participation, stiff competition, and plenty of school spirit. Many different activities were offered this year and even more are being planned for next year.

APACHES WIN CHRISTMAS RELAYS

In the first annual Christmas Relays, the Apaches captured first place. This was sponsored by the M.A.A. and turned out to be the highlight of the season. Each tribe recruited ten girls to assist and turned the event into a gala affair.

This is a few of the different students who participated in the Christmas Relays.

WOMEN'S INTRAMURALS

This year's intramurals program started off with a bang. Each tribe came forth with a strong soccer team. The battles were long and hard, and each team showed good spirit and good sportsmanship. The Seminoles and Cherokees faced each other in the championship game, with the Cherokee maidens emerging victorious.

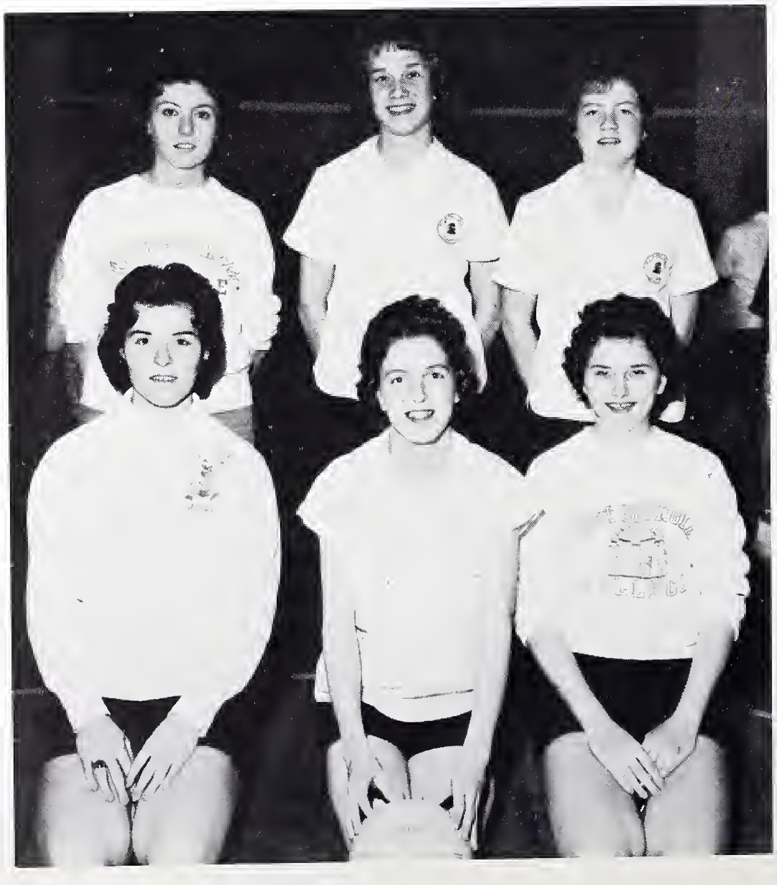
Volleyball is one of the most exciting sports for girls at W.G.C. This year the West Ga. girls will be the defending Volleyball State Champions. This has put a great deal of emphasis on skill and added to the spirit of the game.

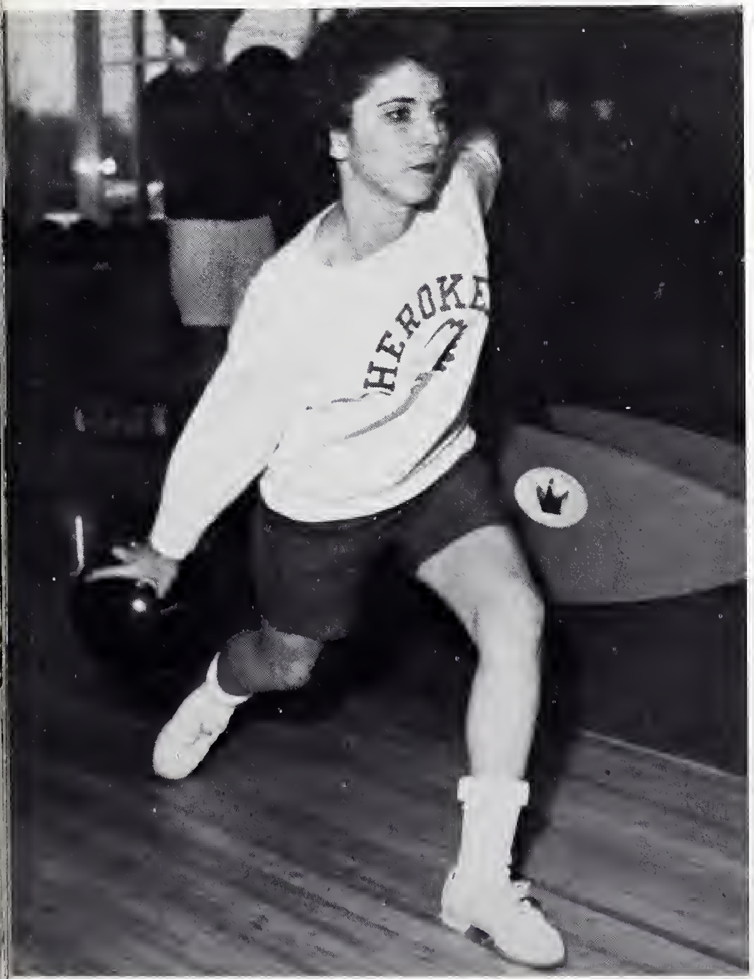
In the intramurals, the Apaches took first place in the championship with the Cherokees second.

V O L L E Y B A L L



Members of the winning Apache volleyball team are: Shirley Harbin, Jeanette Register, Nedra White, Freida Wood, Margaret Vaughn, Linda Morgan.

Tennis, softball, and bowling are enjoyed by each tribe of the W.A.A. Much interest and hard work is put into the intramural program among the different tribes.



The Siouxs showed much enthusiasm as they took first place in the bowling tournament.

The girl's intramural program at W.G.C. is one of the best. The main reason for this is the hard work and helpful guidance put into it by Miss "Mac," P. E. teacher and sponsor of the WAA.

EDITOR'S EPITAPH

In this 1962 Chieftain, another year in the history of West Georgia college is recorded. The growth and progress of this institution is shown in this book and it is you, the student body, faculty, and administration who have made this year a success.

I hope the new ideas which have been attempted will be accepted and approved by everyone who reads this yearbook and as you turn the pages, I hope the good memories you hold of this year will be revealed through the pictures.

I wish to take this opportunity to thank certain individuals. A special thank you goes to Homer Brown, photographer for the Chieftain, who worked hard taking and developing pictures.

Extra credit goes to Ronald Jackson, who directed the Miss Chieftain Beauty Revue, to Mrs. Carel, for her help with advertisements, to the staff members who never refused to work, and to all others who deserve recognition for their help in completing this yearbook.

It has been a privilege and pleasure for me to edit this volume of the Chieftain. I hope you like it.

Jimmie Lee Ridley,
Editor of The 1962 Chieftain
